Dear Dance Enthusiast,

The world-class Dayton Contemporary Dance Company was founded in 1968 by Dayton, Ohio, native Jeraldyn Blunden and rooted in the African American experience. Our mission is to deliver contemporary dance of the highest quality to the broadest possible audience. DCDC reaches this audience with local performances, through national and international touring, and through the company's educational programs in the Miami Valley and on tour.

We need your help to ensure our legacy continues. DCDC relies on the generosity of individual donors through our Annual Fund. We also greatly appreciate the participation of our Business Partners, Corporate Sponsors and Foundation Donors. Your contributed support allows the company to perform bold contemporary dance for thousands in the Dayton community and beyond.

Please make your donation today!

I/We LOVE The Dayton Contemporary Dance Company and want to help!
